

Design features	Body: Aluminium Diffusor: PPMA
Technical features	Size: 390×20×11 mm Weight: 0,1kg Mains: 24V in DC
Class and certifications	IP protection: IP20 Insulation: Classe 1 Conformity mark: CE
Warranty	LED rated life: L80 > 100.000h Warranty: 24m
Performances and models	Model: LC24-390_3_PWM Led numbers: 6 Luminare luminous flux: 1400lm Luminare wattage: 11.3W Colour temperature: 3000/4000/5000K CRI (color rendering index): Ra 80min
Dimming	100% PWM compatible dimming protection against polarity reversal, protection against line spikes
